(Re-Accredited with 'A' Grade By NAAC) (Recognised under section 2(f) and 12(B) of UGC Act.)

(Permanent Affiliation Granted by Thiruvalluvar University)

### ***2.6.1: Programme Outcomes (POs) and Course Outcomes (COs) for all Programmes offered by the institution are stated and displayed on website***

The college has a well-defined mission and vision. The programme outcomes (POs) and course outcomes (COs), along with their mapping, are integrated into the syllabi of various courses offered by Thiruvalluvar University. These syllabi are sourced from the university's website and subsequently displayed in the college. The POs and COs are formulated by the university in consultation with members of various Boards of Studies (BOS), faculty members, and other stakeholders. The POs and COs are disseminated through the college website, classrooms, notice boards, student induction programs, faculty meetings, and the library.

#### **Programme Outcomes**

Programme outcomes encompass a range of interrelated knowledge, skills, and personal traits that are imparted to students. These outcomes include:

- Understanding fundamental principles and concepts in their chosen disciplines.
- Developing critical thinking, creative problem-solving, and effective communication skills.
- Applying theoretical knowledge to real-world situations.
- Working effectively in teams and demonstrating leadership skills.
- Preparing for careers in their chosen fields as well as for further study.

#### **Course Outcomes**

Course outcomes are direct statements that describe the enduring disciplinary knowledge and abilities that students should possess and the degree of expected learning upon completion of the course. These outcomes include:

- Analyzing and interpreting data, thinking critically, and solving problems.
- Communicating ideas through oral and written presentations.
- Demonstrating an appreciation for the cultural, social, and historical contexts of the disciplines.
