

## SRI AKILANDESWARI WOMEN'S COLLEGE, WANDIWASH.

(Re-Accredited with 'A' Grade By NAAC) (Recognised under section 2(f) and 12(B) of UGC Act.)

(Permanent Affiliation Granted by Thiruvalluvar University)

### **4.1.1 The Institution has adequate infrastructure and other facilities for, teaching – learning, viz., classrooms, laboratories, computing equipment etc., ICT – enabled facilities such as smart class, LMS etc.**

Ever since its establishment in 1995, SAWC has achieved an acclaimed position. The college has built a reputation amongst students, parents, industries, academicians and researchers through its determination to impart knowledge and skill based quality education. This is achieved through the provision of necessary and sound infrastructure and optimum teaching and learning facilities. The college management has formulated an infrastructure policy not only to fulfill the norms laid down by the regulatory authorities but also to ensure optimal utilization and upgradation as per the growth.

There are 34 class rooms, 3 staff rooms, principal cabin, vice-principal cabin and exam cell are in science block. There are 12 classrooms, 3 staff rooms and one mini auditorium are in arts block with required academic facilities. There are 6 laboratories to do the practical work by the students. There are two auditoriums. One main (1000 capacity) and mini (250 capacity). Both the auditoriums have permanent audio-visual setup. This amenity is used to conduct weekly prayers and conferences, seminars, cultural activities and various relevant awareness programmes of government and non-governmental agencies. There are 126 upgraded computers with 200 mpbs of internet band-width, 5 projectors, 10 printers, one photo copier, one LCD TV, and 3 laptops. It has 7 BSNL fibre connection modems and 2 dongles (1 jio plus and 1 Airtel). CCTV surveillance facility is provided at strategic points to ensure safe and security. All classrooms and other important places have LED bulb and fans. The computer labs have 3 servers and Avast antivirus facilities. All the systems are maintained on regular basis by The New Solutions, Thiruvannmalai. A special Online Learning platform G-Suit is established and necessary cloud space is purchased. The proceedings of all webinars, online workshop, special guest lectures, Doctoral committee for Ph.D scholars and all other academic affairs are recorded and preserved for future reference.

The library is fully automated with auto lib software, version 1.0 since 2016. All departments have departmental library. The college has formulated an exclusive library policy to ensure effective functions of the library to enhance the quality education.

College administration office is also fully automated. The college examination cell has all facilities to ensure smooth conduct of both internal assessment test and university exam. There are two full-time exam cell members and they perform all examination related work effectively.
